

Meeting May 19th

Thursday, May 19, 2011

5:15 PM

Important to do:

-Recruiting issue:

- This Saturday, go through and see which patients have diabetes -> keep a record and try to contact
- Contact old project folk
- Ensure there are flyers at clinic and Monitors and Health Advocates are apprised of support group goings-on
- Maybe move time to 1:30?

-Volunteerism

- talk to group this Monday to get more volunteers
- have another meeting Thursday afternoon

-Training

- write down more specific protocols in a checklist format (weekly checklist)

-Maria

- contact Maria, ask how it's going, receive input/feedback

-Next group session

- Meeting to discuss session topic
